DOLUCA

RED WINE

DLC Öküzgözü Red 2017 Öküzgözü Central Anatolia \$ 146.00 12 x 750 ml
Named after the remarkable size of its grey-blue fruits; the lively, fruity character and the unique aroma of Öküzgözü (literally "ox's eye") varietal are fully reflected in DLC Öküzgözü. In order to express and preserve the delicate nuances of the varietal, this wine was oak aged for only 4 months in order to acquire a round, easy to drink, balanced and full bodied structure. A great companion for many occasions DLC Öküzgözü invokes the aromas of cherry, bilberry and caramel.

The Aegean soil gives a distinctive quality to the grapes used to make Kara Efe. Spirit made only with these grapes is triple distilled in pot stills with specially selected aniseed to bring out their unique flavor and rich aroma. Spring water from the Bozdag Mountain reveals the exceptionally smooth taste of this fine Raki, which is bottled at 47% alcohol.

Sari Zeybek

45%

Double distilled with 100% grape alcohol then distilled twice in pot stills with anise seeds and matured in oak barrels.
San Francisco World Spirits Competition 2012 Double Gold Winner

750 ml

Sari Zeybek is made with grape alcohol triple distilled in pot stills, which is then distilled twice with aniseed. These anise seeds that give Sari Zeybek its superior smoothness are harvested from a specific region called Tefenni located in the Aegean Region of Turkey. Sari Zeybek is matured in oak barrels, where it takes on its unique color and aroma. You may enjoy Sari Zeybek by sipping it straight up when it is ice cold or by adding water and ice.
